

## EXCEPTIONAL SUPPORT SERVICES

May 2023

Hello May!

### WHAT HAVE WE BEEN UP TO?

We are happy to announce that we are looking to expand our team here at Exceptional Support Services. As we take on new projects and increase our workload, we need a team that is able to handle the demand while still providing high-quality work.

See you next time!

### ALSO HAPPENING THIS MONTH:

#### INTERNATIONAL DAY OF FAMILIES

The International Day of Families (May 15) serves as a reminder of the important role families play in society. This day is a reminder to all individuals, communities and governments across the world to recognize the significance of family and its contribution to the development of peaceful and sustainable societies. It is a day to reflect on the diversity of family structures and to promote the well-being of families in all its forms. Let us continue to recognize the diversity and importance of families in all shapes, sizes, and compositions across the globe!

#### INTERNATIONAL NURSES DAY

International Nurses Day is celebrated on May 12th every year to recognize the important role that nurses play in healthcare worldwide. This day also commemorates the birth anniversary of Florence Nightingale, the founder of modern nursing. Nurses are the backbone of the healthcare system and they work tirelessly to ensure that patients receive the best possible care. They often work long hours in challenging environments, sacrificing their own well-being for their patients. Let's take this chance to honor and appreciate nurses for all that they do.

#### NATIONAL CREATIVITY DAY

National Creativity Day UK is a day to celebrate the power of creativity and its ability to positively impact our lives and communities. It encourages individuals to embrace their creativity and try new things, whether it's writing a song, painting a picture, or exploring a new hobby. This day reminds us that creativity is not just limited to the arts but can be found in all facets of life, from problem-solving in the workplace to innovating new products and services. It is a chance to recognize, honor, and inspire all the creative minds around us.
