Did you know...

"As of 2021, 12.8% of deaths in the UK were caused by dementia and Alzheimer's disease."

Children in Need

Exceptional Support Services participates

Children in Need is an annual event that aims to raise money for disadvantaged children and young people across the UK.

On **Friday 18th of November**, all of our Exceptional staff will be wearing a spotty item to the office in support of this event.

Although this event is only recognised one day out of the year, the meaning behind it is something that we must be aware of all year round.
