**WE ARE
RECRUITING**

Good News!

Exceptional Support Services are **expanding!**

At [Exceptional Support Services](#) we pride ourselves in our constant **growth**. In August we will be recruiting. Stay up to date by regularly visiting our CAREERS page on our website, or sign up to our mailing list, to be the first person to find out.

Exceptional Graduates

Another one of our Exceptional staff will be graduating from university this month, and we couldn't be more proud.

We encourage all of our staff to follow their dreams by supporting them in any way we can. We, as a company and as individuals, are constantly strengthening and broadening our knowledge and skills.

Did you know...

"Social Workers are advised to schedule regular self-care activities to reduce stress."

ExPansion

August seems to have become "*good news central*" here at Exceptional Support Services, but we are not complaining.

As well as expanding as a team, ESS will be expanding as an organisation by offering an additional service to our clients.
